“To promote the social and professional aspects of educational life in the City of Philadelphia and to aid in the betterment of educational conditions.”

May 22, 2018

Dear Principal:

We are happy to post the Schoolmen's Club of Philadelphia Certificate of Service on line. Members of the Club ask you to bestow this certificate upon a graduating student(s) or a student in a terminal grade at your school. The criteria for the Schoolmen's Club Award are as follows:

- Service to School
- Leadership Qualities
- Academic Excellence

The selection of the recipient each year will be at the discretion of the school principal and faculty. If there is a member of the Schoolmen's Club on your faculty, we hope that you will give that individual the honor of presenting this award.

On behalf of the entire membership of the Schoolmen's Club of Philadelphia, we thank you for your cooperation. We hope that this award will promote good leadership and participation within your school.

Respectfully,

Stefan Feaster Eberhardt
